**One Goal one Passion.  
Customer Satisfaction**

“

We, Fortune Emirates have been in the trading industry since 2000 and growing very fast since then. We became one of the leading chemical suppliers in Middle East and Africa and still going strong by expanding business to other continents.

## ABOUT US

Fortune Emirates cater different industries like Polyurethane, Paint, Plastic, Mattress, Rubber etc to name some of them and have succeeded to emerge as one of the top chemical distribution companies in UAE within the year of establishment. Our warehouse in UAE has enabled us the timely delivery of products to various parts of Middle East and Africa, and it has helped us to become a successful industrial chemical supplier. When we take different chemical supply companies in UAE, Fortune Emirates has a huge preference by the customers due to our commitment and social responsibility.

We strongly believe in customer satisfaction and quality service, and it is in our DNA. Each employee has deep knowledge about the products and services to attend the small details put forward by the customers and with years of experience in this industry we can proudly say that we are the best chemical raw material suppliers in Middle East and Africa.
